Our ever growing portfolio reinforces our reputation for providing an outstanding level of flexible customer service, underpinned by efficient operations and an optimal approach to quality, safety and the environment.

Our Vision

Our vision is simple yet profound: To elevate industries and exceed client expectations by delivering precision and power in every lift. We aim to be the go-to resource for businesses seeking seamless, safe, and professional crane services.

Our Mission

Our mission is not just about lifting loads; it's about lifting expectations and forging lasting partnerships with our valued clients. We are dedicated to delivering excellence in crane services, prioritizing precision, safety, and reliability.

Our Values

We value for Safety, Professionalism, Customer-Centric, Teamwork, Innovation, Integrity, Excellence, Environmental Responsibility, Continuous Improvement, Community Engagement. We aim to elevate projects to new heights, setting the standard for quality and innovation in the crane industry.

Services

At Bhavani Lifters we are proud to operate some of the most technologically advanced and modern crane fleets in India. We have a comprehensive range of sizes and capabilities to choose from, with the lifting capacity of our cranes ranging from 8 tonnes to 500 tonnes.

Each year we continue to invest crores of rupees in modern, new equipment which keeps us at the forefront of the crane hire industry. Not only that, though, it enables us to meet the ever-changing demands of our customers - providing them with the equipment they need to complete tasks safely and on time.

All the new cranes we purchase are of the highest specification. Throughout the last ten years, we have continued to invest in the fleet by adding a number of medium sized capacity cranes as well as expanding our self-erecting mobile tower crane range with cranes from Spierings.

All our mobile cranes and supporting services are backed up by a team of highly-trained, qualified and experienced personnel. Every member is dedicated to achieving the highest standards and delivering our services safely and professionally.

Here at Bhavani Lifters, we take health and safety very seriously. That's why, to mitigate potential risks, we make sure every crane within our fleet is regularly serviced and maintained in accordance to industry standards. This way, you can be confident that any equipment you hire from us is safe and ready to use. We appreciate that deadlines can be tight and you may need to hire lifting equipment at short notice. Luckily, most of the cranes within our fleet are available to hire 24/7 from our depot and we will do our utmost to offer a flexible solution for your needs.

Our Fleets

City Cranes

Here at Bhavani Lifters, we provide a wide range of cranes that are designed to suit various industrial requirements. An example of one of the cranes that we have available for hire is the city crane, which makes light work of lifting operations in the city.

Heavy Duty Cranes

Bhavani Lifters provide a wide range of cranes and aim to suit all projects - no matter how big or small. We have the expertise and equipment to ensure that all lifting operations are completed safely and efficiently.

Mobile Tower Cranes

Bhavani Lifters operate from strategically placed locations to offer our self-erecting mobile tower crane hire and lifting services throughout India.

Self Erecting Cranes

Here at Bhavani lifters, we provide the self erecting cranes which can be placed almost anywhere - especially in environments where there is limited space available.

Telescopic Crane

here at Bhavani Lifters. A telescopic crane is a type of heavy crane that is specifically designed to transport and manoeuvre objects from one place to another.

Crawler Cranes

With its impressive and broad range of lifting capabilities, a crawler crane is the contractor's high-capacity crane of choice. This type of crane is mounted on an undercarriage, featuring a set of tracks that allow for superior stability and mobility.
